Brut Zero

Treveri Cellars Blanc de Blancs Brut Zero

Treveri Cellars Brut Zero is the driest of all of the sparkling wines produced in our Core Tier. Sometimes referred to as “Brut Nature,” this sparkling wine is produced with zero dosage, allowing the wine to ferment with zero residual sugar.

The Brut Zero contains no sugar, delivering the crisp and refreshing overtones unique to Brut Zero sparkling wine.

Treveri Cellars was honored to have the Brut Zero served at the US State Department Holiday Receptions in 2011.
